## Baby/Infant Wristbands

### BABYSOFT250

self-adhesive extra-soft babies printable hospital wristbands

Our BABYSOFT250 paediatric hospital wristbands are made up of two parts, easily and quickly assembled, and ensure that only blown sponge, ultra-soft plastic is in contact with a baby's delicate skin. Fully patented and in our opinion the most comfortable neonatal wristband available on the market.

- The most comfortable neonatal wristband available on the market
- Patent protected two-part assembly system
- Skin-facing extra soft foam backing strip
- Highest quality printing of text, barcodes and images
- Totally secure infant identification wristband
- Fully adjustable length bracelet
- Larger printable areas
- Available in white, red, pink and blue

### BABYSOFT250N

slim self-adhesive extra-soft babies printable wristbands

A narrower version of our popular BABYSOFT250 paediatric hospital wristband with the same soft-touch, skin sensitive foam backing and self adhesive, security fastening. Security slits and an innovative design mean that the wristband is ultra-secure and cannot be removed without the wristband appearing damaged.

- Slimmer profile comfort paediatric bracelet
- Gentle, soft-feel blown vinyl backing
- Patent protected tamper-evident fastening
- Low cost, low profile wristband solution
- Easy, quick to assemble two-part system
- Smaller printable area
- Totally resistant to water, soaps, alcohol
- Available in white, red, pink and blue

#### SPECIFICATIONS

Box qty	Roll detail	Size	Print area	Reg mark	Presentation	Core size	Outer diameter
500 with soft foams included	2 x rolls of 250	154.3 x 27.5mm (to 150 x 15mm)	50 x 15mm	4mm on perforation	Inside wound, strap leading	25mm	96mm
