## Adult Wristbands

### ECO100

shaped 30mm wide, self-sealing printable hospital wristbands

Highly durable and comfortable shaped 30mm wide standard patient wristband. Alternative to our most popular, printable adult hospital bracelet used in UK hospitals. It does not require a fastening clasp and is secured instead using its own innovative self-sealing section.

- Low-cost comfort shaped wristband
- Ideal for short term patient stays / day clinics
- Supplied on quick-load rolls for speed and convenience
- Large printable area for text & barcodes
- Quick and easy to attach with own self-sealing section
- Adjustable length fastening strap
- Requires no expensive inks or ribbons
- Select range of colours and black bar configuration

### ECO100-Z

narrow 25mm wide, shaped self-sealing hospital bracelet

Our ECO100-Z hospital wristband is a 25mm narrow, shaped and economical version of the popular ECO100 hospital bracelet, requiring no fastening clasp, secured instead using its own innovative self-sealing section. Once printed the bracelets are completely resistant to water, soaps, alcohol and all common chemicals used in hospital wards, theatres and laboratories to reduce the threat of patient infections.

- Comfort-shaped, slimline 25mm adult hospital bracelet
- Natural, latex-free material construction
- High-quality print process ensures clear legible print
- Ideal for short term patient stays / day clinics
- Competitive prices and low-cost implementation
- Innovative self-sealing retaining system
- Simple to print using common hospital systems
- Select range of colour options (others available on request)
