Adult Wristbands

ECO25

self-sealing adult printable hospital wristbands

A shorter profile than our standard self-sealing adult hospital wristbands the ECO25 is a perfect fit for young adults upwards, whilst also keeping costs down. Durable and comfortable. Once printed the bracelet is completely resistant to water, soaps, alcohol and all common chemicals used in hospital wards, theatres and laboratories to reduce the threat of patient infections.

- Lower cost adult wristband solution
- Ideal for short term patient stays / day clinics
- Use on hospital wards, theatres & outpatients
- Large printable area for text & barcodes
- Patent protected tamper-evident fastening
- Adjustable length fastening strap
- Requires no expensive inks or ribbons
- Select range of colours and black bar configuration

ECO25-FC

full colour self-sealing adult printable hospital bracelets

The ECO25-FC offers a full-colour print area across the whole of the wristband, providing hospital staff with increased visual identification of those patients with added concerns of a fall risk, medical or latex allergies, or requiring additional care needs. A wide range of colour options are available for medical teams to select individual wristband colours for specific care needs and ensure that patients are receiving the correct level of identifiable care.

- Low cost, self-sealing adult wristband
- Full colour print area for improved visibility
- Large printable area for text & barcodes
- Ideal for short term patient stays / day clinics
- High visibility colours offer increased alert opportunities
- Patent protected tamper-evident fastening
- Easy print using common hospital systems
- Select range of vivid colours (others available)
