Adult Wristbands

ECO25-WRITE

hand-written, self-sealing,
low cost adult hospital wristbands

A shorter profile, self-sealing adult hospital wristband keeps costs low. The ECO25-WRITE is unique in our range of patient identification solutions in that it is designed to be handwritten on the ward using ballpoint, rollerball and marker pens. Still durable and comfortable, this is perfectly suitable for short-term stays or daycare needs.

- Developed to be handwritten quickly
- Lower cost adult wristband solution
- Short life patient use
- Large hand-written area for text
- Ideal for short term patient stays / day clinics
- Adjustable length fastening strap
- Writeable with ballpoint pen
- Available in a range of colour options

JET125

inkjet compatible adult printable hospital wristbands

The same print resistant technology to all of the other ECOBAND range, however our JET125 is our only Inkjet specific solution. Allows the medical staff to print text, images and barcodes directly using more common Inkjet print technology. Durable and comfortable, they offer comprehensive printing of text, barcodes and images without the need for additional hardware.

- For use in roll-fed Inkjet printers
- Extremely high quality full colour print
- Easy print using common hospital systems
- Use on hospital wards, theatres & outpatients
- Print with text, barcode and full colour images
- Totally resistant to water, soaps, alcohol
- Large print area for patient details
- Available in white as standard
