

Adult & Childrens Wristbands

NIL BY MOUTH

alert pre-printed hospital wristbands

Provides nursing staff with an essential additional visual reminder that a patient should not be taking food or liquids. The wristband creates awareness for the patient themselves, doctors, nurses, auxiliary staff and visitors, that the patient should not be eating or drinking. Highly visible on the patients wrist the bracelet includes sections that can be handwritten by staff detailing the exact times that the patient has to abstain from food and/or drink.

- Highly visible pre-printed alert text & images
- Ideal for short term patient stays / day clinics
- Use on hospital wards, theatres & outpatients
- Adjustable length, self-adhesive fastening strip
- Handwritten panel for patient details
- Tamper-evident security panel
- Totally resistant to water, soaps, alcohol
- Free poster to increase awareness of this important issue
